“ *It’s hard to imagine life without Uncle Pat. We could always count on him to bring good stories and humor to any event. He had a smile for everyone and a genuine passion for life. He played a significant role in our lives as both my uncle and my godfather, and I will miss him dearly. Love, Bonnie Ryan Sprecher*

“ I met Pat and his brother Joe in 2011. I didn't know this at the time, but getting to know them would bring out the best in me each time I had the pleasure of being in their presence.
I truly felt honored to know that both of them I could call my friends. Respect and admiration is what I had for both of them.
"Sitting in the front of a 12' fishing boat, with the throttle maxed out, I turned around to see a 90 year old man driving the boat. I had a grin from ear to ear. He looked at me and said "I'm not dead yet". That short boat ride to clean out the carp trap on eagle lake will be a memory never forgotten.

So long my friend,
Robert Aasen

“ Uncle Pat and Aunt Verna were always kind to me when I was a small child. Their kindness and actions were part of my formative years and helped change my life. I am forever grateful. Rest in peace Uncle Pat, and say hi to Aunt Verna and Uncle Joe. God bless
