“ *I remember while as child my mom would be so excited to get outside in the backyard, layout on her lawn chair, read her book, and get her first skin burn of the year. I thought that was really funny. Also, all the times I would go to her Tuesday night bowling league games at Doyles. I love you momma, You will be missed more than you know!*

“ *I was blessed to be able to call you "Mom". You will be greatly missed by family and friends. My comfort comes in the fact that you are reunited with Pops in Heaven and will forever be together. I will one day see the both of you again, until than, you will always remain in my thoughts and heart.*

Love always, Dave
