“ Patsy was a dear friend from school days. I remember her families Irish setter jumping at the door when I would come to her home during high school/ college. I remember her wedding with Ralph.

I did not realize that she died until I heard from a classmate today, 9/7/22. So sorry to hear this news. Sending love to her whole family

“ I work at BankCherokee and was Patsy's banker for several years before moving to a new department during 2020. I'm so sorry to hear about her passing. Her personality was so fun and I got to see her about once a week when she would do her business at the teller line. Before she would leave, she made sure to stop by my office to say hello and check on the plants by my window. I'm so glad I got to see her a few more times after Covid & my role change, because she was a lovely lady and I was always happy to help her and have a chat. Some customers are just memorable and she was one of them.
