“ A day on a golf cart with Paul was a great day, wish we could have had more. He was as good with a quip as he was with a 6 iron. An all around good guy, we'll miss his humor, friendship and breakfast get-togethers. Gone too soon, we will miss him. Rock on Mr. B. Darlene & Loren Larson

“ I wish we could have been closer during the last decade. We lived so close but did not spend much time together. We shared many childhood memories including hundreds of table tennis games in our basement. RIP Paul
