“ Dearest Paul,

Family made us cousins, but foremost we were friends. There are so many wonderful memories. I remember when my mom, your Aunt Catherine, and I lived in Minneapolis, Karen and you came to visit us every week. Then later when I married, Karen and you were such good friends with Robert and me. We played cards, went to movies, and to Twins games. I remember when Robert and I were about short on money, you came and filled our freezer with meat. When Robert and I moved to Faribault, Karen and you would come and spend the weekend. Also, the weekends we spent with you when you were building your new home and Robert was doing the electrical for you. In the past few years, all our phone conversations we shared. Give Karen a hug for me.

*Your cousin,

“ *Keeping you all in my prayers! Paul was the perfect Dad, and reminded me so much of my own. Above all else he loved his family & showed it every day in so many ways. Remembering how proud of Karla & Julie he was - helping them as they grew & started their own families. Seeing how thrilled he was to be the "daycare" for his beloved grandkids. His devotion to Karen ~ and how happy he is now to be reunited with her & Brandon. At peace, with no more pain ~ He has blessed so many lives, including my own! Thanks for the Joy your brought us Paul & Thanks girls for sharing Him!*
