“ Kris, Matt and Derek, it's nearly the end of May and I just got word of Paul's graduation in March. I'm deeply saddened by this news. I could easily write a book about the decade I spent at MultiMedia. There will be a chapter in my memoirs if I ever get around to writing it. And now, the "Three Amigos" are together again, probably working on some truly spectacular meeting presentation or epic film. So much of what I have become is because of Paul, Stuart and Terry. Each helped put the puzzle of my life together in their own unique ways. I am eternally grateful for that. No doubt you also have such memories of Paul. Cherish them and know that he really isn't gone, he just has a new address. Peace and love. John

“ Oh Kris, I am so very sorry. Please know that I would be there for you, just as you and Paul were for me, but I am out of town. Remembering all the wonderful times the four of us had together. Paul was easy to love. Sending all my love & prayers.
