“ *It was great to get to know Paul as his caregiver and companion for the last 4+ years. we had some great conversations about politics and history. I remember talking about his participation in the Battle of the Bulge. I regret that my current health issues prevent me from being at his memorial service. Best to all of you, John Armstrong.*

“ *We are so, so saddened to hear we have lost Paul-he was the greatest. A man of vision, he was way ahead of his time. If there was a better way to do something, Paul knew how to do it. We will miss you, rest in peace.*
