Bob and I were so honored to spend the last months with my brother Paul. He was a very wise man full of good advise. He will live on in our hearts forever!

“ I have had the privilege of visiting with Paul by telephone an average once a month for the past nine years. We talked about many personal interests, what was presently going on in our lives and most of all, about our son Paul, Daughter in-law Felice and our two beautiful Granddaughter's Milana Rose and Cambria Grace. Paul enjoyed hearing any little news about our Son and his family. He was always so respectful, kind and caring. Even though he suffered long and hard with his serious and chronic health conditions, he pushed himself and managed to come out to Oregon a few times. During family activities, I would see him watching the family closely and soaking it all in with love and joy. We invited him numerous times to move to Oregon to be close to his son and to enjoy the much milder climate. He had fears about his abilities to do this due to his ever changing health, as well as his devotion to his Mother Maria and concern with the need of taking care of her. We wish he would have had much more time with us. He has been a true friend and will be greatly missed.
MAY HE FINALLY REST IN PEACE!
Wishing you all Peace and Love,
Nicole
