“ So sorry to hear of Paul's passing, expressing sympathy and prayers to the Martin family. Paul and I were friends and co workers, his infectious laugh and his humor will long be remembered. By best Paul memory is when a group of us had the good fortune of staying at Mike Tellos lakefront home on Leech Lake and attending the Moondance Jam. It was one of the best times ever, we saw many great bands play. I know Paul had a great time, he often mentioned our stay up there. Thanks Paul for all the great times, and all the laughs.
