

Paul William Nygren

March 12, 1960 - February 10, 2025

Paul William Nygren, age 64, of Roseville, MN, passed away unexpectedly on February 10, 2025. Born in Bloomington, Paul was a brilliant problem-solver, builder, and craftsman. He worked in electrical engineering, contracting, and various trades, always pursuing his passion for fixing, creating, and perfecting. He could build a house from the ground up and took immense pride in his meticulous craftsmanship.

Paul's life was not without struggles, including his battle with alcoholism, yet he was deeply loved. His sharp wit, his humor (sometimes unfiltered), and passion for science fiction, cars, and technology made him unforgettable. He was the go-to person for construction or technical advice, and he cherished working on projects with his kids. His impact remains in the knowledge he shared, the homes he built, and the memories his family & friends hold.

Paul is survived by his father, Herbert Nygren; his brother, Dave Nygren; his children, Deanna Greyoak and Jason Hawkins; and his grandson, Flynn. He was preceded in death by his mother, Lorraine Nygren.

He will be deeply missed.
