“ Paul would preach: "God said it. That settles it. I believe it." My son Mat received Jesus when he was 8 years old under Paul's ministry in Winston Salem. It was 1991. Praise God for his faithfulness.

“ This is far out of date, but I have been searching for New Day Ministries and Paul Olson for a few months, and find this. Prayers that you are all doing well and resting in God's grace... Bro. Olson was an inspirational teacher, and some of his words continue to bless me today. I wish I could locate his books... In particular, his teaching on the Last Days, at this time in our world... If there is a way to obtain his books or preaching on the Last Days, I would appreciate that information. I could be reached at joy4us@hotmail.com. God's Blessings, Wendy

“ *My sincere condolences to Dee, Paul Jr. & the rest of the Olson family. Rev. Paul Olson has been a blessing in my life. He taught me FAITH and how to challenge and trust God in Trinidad in 1965.. I saw the miraculous hand of God worked in a way that I could not imagine. His style and method of delivering an evangelistic message surpassed all that I have come across these 50 years of serving Jesus Christ. Blessings & Peace be upon his family.*
