“ My Dad first met Paul on the golf course before he was a PGA professional. Dad introduced Paul to my brothers Mark, Scott and I, and which started a quick friendship. Mark and Paul traveled MN and MI to play tournaments. I later spent much time with Paul in AZ. As time went by life took us all in different directions. We would get together from time to time and it was easy to reconnect Paul was a great, generous and giving friend. We'll miss him. Peace.
