“ My condolences goes outto the family. I was sadden to hear about Pauls, death from Corey Jr. Now he is with the rest of his family and is free from all sickness. He is up there looking down on you all. May GOD bless you all and just remember the good times you all had while he was here with you all. Take Care, and now he is with the guardian angles. Love Donna

“ Jon, I just heard about your dad today (8-30-2011) from my father. I am sorry for your loss. My parents were slow to figure out, Elizabeth, is Betty. The Hannan's send their condolences. The old neighborhood can not be the same without Paul Weill. I still live North of the Twin cities and would like to meet with you and anyone else you would like me to visit with. I'm still trying to reconnect with Kevin Blake; I would like to send him a X-mass card, although I can not find him. Sincerely, Tim Hannan Post Office Box #13 Harris MN 55032

“ Dear aunt Betty and Jon, We have lost a wonderful man, and I will miss him so much. At least I have wonderful memories of all the fun I had with him, flying in the airplane and spending so much time with him and his buddies. We have lost so many family members and it is so sad for all of us. It is so terrible how he went so fast at least he didn't have to suffer for too long. I love you all and my heart is with you.
