

Paula Mariucci Harter

April 10, 2014

Harter, Paula Mariucci On April 10th, 2014 after several requests from the residents, God invited our dear friend, mother and grandmother, Paula Mariucci Harter to join her husband, Bob Harter, and father John Mariucci in the kingdom of Heaven. Reports inside the pearly gates stated that Bob's cigar smoke was beginning to tint some of the clouds while John's antagonizing of some of the Canadian angels was getting a little disruptive. Paula, with her calm demeanor and quick wit immediately restored order and became fast friends with her fellow souls. She was embraced by all of the angels who were disabled during their time on Earth because Paula's dedication to ensuring commercial properties conformed to accommodate them with Accessible Environments. All of the souls who had spent time at the Courage Center remembered her volunteer work, and she was immediately enshrined into Heaven's NAWBO chapter. As a special surprise, Paula's own cloud was an island surrounded by beautiful blue water inspired by her love of boating. They say God has a way of taking the most deserving souls before they can reach what is considered a normal life expectancy, and Paula was no exception. Finally, as she was a lifelong Gopher Hockey fan, if anyone need any further evidence that Paula will continue to look down upon us with love and make an immediate impact from above (as she did so well here on Earth) she graced her team with a miracle victory only hours after leaving us. Thank you Paula. For everything. We will always love and miss you. Memorial service will be held Monday, May 5, 5:30 PM, with visitation beginning 4:30

“ *Forever, a Moment, frozen now in time and in our hearts. The 4 of us, Bob, Paula, Carole and I and that Sun drenched Mediterranean sea day encapsulated in an authentic Turkish Bath. The domed Marble façade and starry lights of the heavens, the endless laughter of pure joy and silliness Crazy color Turkish towels, suma wrestler looking Masseur and not a care to the world pure bliss Friendship forged forever that day in a moment one would give anything to relive yet a forever smile to the adventure we never second thought nor would realize how something so unexpected both in journey and chuckles would lead an indelible mark in our lives ,days and years gone by
There was a special synergy created that day by being good and fun loving people.
