“ Mike, Kalbi, and all of Paulene's wonderful family...We are so very sorry to hear of Paulene's passing. She was a remarkable woman...so full of life and love. As a member of our board of directors, Mike and Paulene's support with fundraisers, a support person to others in pain, always there with words of encouragement and hope, and above all...a good friend, Paulene made a difference in the lives of many people. She was a guardian angel in life...and will continue as one now. What a blessing and honor to have called her a friend.
