“ We had the great opportunity to not only work with Pauline for many years at Lake Region, but to get to know her as an extraordinary individual. She was the kind of person who if you had a problem she would listen and give her advice/support when needed. Her bouncy personality and “Lady” greeting will be missed deeply. Dale, we hope you find comfort in knowing that someone so special will never be forgotten.

“ Dale, you and your family have our deepest sympathies as you try to deal with losing such a wonderful woman and to us dealing with losing a classmate, great friend and co-worker. I met Pauline the first time when I started dating one of those "WACONIA" boys so many years ago and than married him, and then started working with her when she came to LAKE REGION, we will miss her a great deal. Know our thoughts and prayers are with you always.”

“ We will miss you Pauline, but we will see you in heaven. (John 14:2 "In My Father house are many mansions; if it were not so, I would have told you, I go to prepare a place for you.)

“ I am so sorry for your loss. As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. You can also find comfort in the Bible. Many find 1Corinthians 15:21-26 and Revelation 21:4 very comforting.
