“ *It is with a sad heart that I send condolences to Paulin's family. Pauline and I served at Davis Memorial Hospital and I recall her quiet and dependable personality which contributed immensely to the high quality of her service. I pray that God's comfort and peace keep you during this sad times.*

“ My deep Condolences to the Familt and Friends of my dear Friend Pauline. We were in the same Sabbath School class at Central SDS in Georgetown. We had pleasant days as childhood friends, attending AY and going to the library every Sunday..Pauline loved to read so did I. We shared the books we both borrowed before we returned them..Pauline was a very loving, caring and loyal friend..I thank God for the times we shared. She will always be in my heart. Her faith and love for God has seen her through this life..and has left us all with an example of strength, tenacity and her deep love for God through it all.. Let us all hold fast until that day when we would all be united again. Love you my friend...God be with all who are saying goodbye until we meet again..

“ Sending hugs, love, and prayers for Pauline's loved ones. Pauline was a beautiful and giving person. She always had a gentle smile. One of our favorite memories of Pauline was celebrating every Fourth of July at her home. The food and company were top-notch. That was by far one of my favorite holidays, and it was because of the wonderful time we had at Pauline's place. Rest in Heavenly Peace, Pauline.
