“ I extend my sympathy to the Husby family on the death of Pearl. My husband, Howard and I were acquainted with Pearl and Oscar back in the early years when Howard served on the PYC board with Oscar and I, on the auxiliary board with Pearl. They were such caring and supportive people of PYC and Wilderness Canoe Base.

I remember the dedication day of the Bridge of the Master, canoe trips, family & women retreats, programs in the old hotel and Frontier Farm. Your folks were instrumental in many of the activities.

We were planning on attending the 50th anniversary of Wilderness, at Luther Seminary, in Oct.'06, but that was the Sunday that Howard died, after being on hospice. A great legacy has been left by these two wonderful people. Thank you for sharing them with this other "family."
