PEDRO CAMACHO RIVERA

June 29, 1957 - September 26, 2025

Pedro Camacho Rivera, 68, of Trujillo Alto, Puerto Rico, passed away on September 26, 2025. He was a man of kindness, discipline, and generosity whose life touched countless others.

Born the second oldest of eight siblings, Pedro learned early the values of responsibility, family, and love. When young, he enjoyed biking with his brothers, building bonds and memories that stayed with him throughout his life. His curiosity and determination carried into adulthood, where he built a successful career as a business owner and electronics repair technician. For many years, he served his community with dedication, skill, and honesty, earning the trust and respect of those around him.

Pedro lived with a discipline that was inspiring. He valued healthy living, worked tirelessly, and always carried himself with integrity. But beyond work and discipline, Pedro knew how to enjoy life. He loved soft rock music, cheered at car races he attended with his family, and shared his passion for computers with his son. A collector of coins, he found joy in the small treasures that reflected his eye for detail and appreciation for history.

Family, however, was the greatest joy of his life. He was a devoted husband to Iraidia Ivette Ocasio Salaman, a loving father to Pedro Juan Camacho Ocasio, Leslie Ann Camacho Ocasio, and Melanie Camacho Suárez, and a proud grandfather whose heart lit up around his grandchildren. He cherished playing tennis with his children, and simply being present in the everyday moments that built the foundation of their lives. His grandchildren, in particular, were his pride and joy, and he poured his love and guidance into them generously.

Pedro's legacy is one of love, service, and dedication. He showed his family the value of hard work, the importance of kindness, and the joy of pursuing passions. He leaves behind not only his wife, children, and grandchildren, but also his siblings, extended family, and many friends who will carry his memory in their hearts.

Though he is no longer with us, the lessons Pedro shared and the love he gave remain. His life was a gift, and his memory will be a blessing to all who knew him.

“*Hola Abuelo,
“Recuerdo esas noches en que llegabas a casa después de un largo día, desde la madrugada hasta la noche, y aun así sacabas fuerzas para jugar conmigo y hacerme reír. Fuiste y siempre serás una gran inspiración en mi vida. Espero que sigas velando por mí desde el cielo, guiándome por el buen camino y sintiéndote orgulloso de quien soy. Siempre me sentiré bendecida de haberte tenido en mi vida.*”
