“ Greetings Petersen family ~ I am very sorry for your loss. I knew Perry from the cardiac rehab center. Although he was not my patient-we got to know one another. Obviously, Perry loved people and loved to talk! He was kind and very thoughtful! We had many discussions about politics, and I often turned the TV channel for him to watch CNN instead of the soap operas! He spoke fondly and was very proud of his daughter. Blessings and healing memories to the family. Amy Amberg of Edina, MN

Nicole, I am so sorry for the loss of your Dad. I enjoyed talking to him about genealogy. His tales were priceless. He was so proud of you, my sympathies go out to you.
