“ Dear Michelle and Graham Family,

I'm so very sorry to hear about your loss. I often have thought of you all being that I teach at MVHS with some of our former teachers. I have some great memories of our high school days including several sleep-overs, delicious (and scalding hot) dinners, study sessions for calc, and murder mystery parties at your house.

Sincerely,

TT

“ Geoff, I am so sad to hear about your dad's untimely and sudden death. I never had an opportunity to meet him in person but had heard a lot about him from some of my other friends and you. He had an excellent and very productive career. May his soul rest in peace in heaven and God give strength to the family to endure this loss.

“ Geoff,

Our deepest sympathies to you and your family. Dan admired and enjoyed your father as a professor and person. One of his favorite college stories relates the time he fell asleep in the front row of your father's class (certainly not because of the subject matter or professor's delivery) and awoke to your father taping the toe of his shoe with a pointer. Your Dad had a great sense of humor. Remember those bittersweet times.

“ *Michelle, we're all so sorry to hear about the loss of your father. You know we love you and will do our best to get you through this. You have so many friends here who care. Let us know when you're back in town so we can get together, but take your time there with your family for now. We're sending a hydrangia plant that can be planted as a remembrance.*

“ *Dear Rosemary and Family,*
It is with a deep feeling of loss that I sit at my desk today, knowing Peter will not be walking buy dragging his little case down the hall to his office. He usually would stop in for a chat and I would relay my news of Australia, that I had just heard and he already knew most of it. He was a wonderful friend and we hand many coffee times together where we shared news of our extended families. I will miss him a lot. My deepest sympathies to you all.
