“ Peter was a great big brother!

He was helping me (and by that I mean he was doing the work and I was watching) with my clothes dryer. We had pulled the dryer out and while cleaning behind it he found a washed and dried \$1 bill.

I set it on the counter and before he left - since he wouldn't take anything in compensation or thanks - I offered him that whopping \$1 bill.

Without missing a single beat and with a completely straight face, he says to me "I'm sorry, but I can't take laundered money".

You could always count on Peter for help and a great comeback. I so appreciated both!

Rest well Peter.

“Pete was the glue that kept our St. Louis Park neighborhood together. In the aftermath of summer storms, he was always the first person out with a chainsaw, removing branches from houses and lawns. Without being asked, he grabbed his tools and fixed anything and everything for the neighbors around him. He would never accept money for his help, so he was often thanked with gift cards, cases of Rolling Rock beer, and—most recently—Glenlivet 12-Year-Old Single Malt Scotch Whisky.

We loved seeing him drive around in his 1993 red Cadillac convertible, recently restored and sporting collector plates. We all enjoyed watching Pete and Claudia re-landscape their yard into a gorgeous oasis. Happy hour will never be the same without him and his booming voice that echoed off our homes and garages. And of course, he always had a good dad joke ready.

Thank you for being such a big part of our lives. We hope you are at peace, working on your golf game, and chatting with your mom. You were the world's greatest neighbor and will be deeply missed by all of us. We like to think heaven had a brand-new set of power tools waiting just for you.

Here are just a few photos of his time helping neighbors. He was truly one of a kind. Our deepest condolences to Claudia, Allison, Gregory, and all of Pete's family and friends. Our neighborhood won't be the same without you.

“ I’ve had the privilege of working alongside Pete since he joined US Bank, and it’s hard to put into words what his sudden passing means to all of us.

Pete was more than just a teammate—he was a source of help and joy in every sense. Even in the most high-pressure moments, when we were racing to solve complex issues, Pete never lost his calm. His steady demeanor, quiet humor, and unwavering persistence made him someone you could always count on—especially in a crisis.

Pete consistently exuded friendliness and curiosity and was always ready to assist with anything. That openness and generosity made him not only a valued colleague, but someone I came to count as a friend—someone I could talk to, lean on, and trust.

He brought light to our workdays and strength to our Hogan team. I will deeply miss his presence, and I know many of you will too.

My thoughts and prayers are with Pete’s family and loved ones during this difficult time.

With heartfelt sympathy,

I remember running into Pete at the Pour House in Siren WI. A bunch of us were on the stag run and it was a true pleasure enjoying a beverage with Pete and the boys. We all joked that he looked like Jackson Browne. I am so sorry for your loss. Lenneyes.

Same-zies. I'm standing at the bar with my buddies in "nowhere Wisconsin" (Siren), and Gary A says to me - "hey there is a guy at the bar over their that is clearly waiving at us. Who is it?". I turn around and say - "Huh... Well, that would be my brother Pete". We slowed our roll and had a beer with Pete. Fun memories. BTW - when his hair was good, he did look like Jackson Browne.

I worked with Pete in IT at County Seat, he was always there when you needed help. County Seat was like family small but very tight group. From our softball team to golf outings and those great card parties, Pete was always the center of attention. Such a wonderful person.

I knew Pete through the County Seat group, and one of my favorite memories was an outing to Afton Alps after work. Pete tried to teach me how to ski that day. He was so patient and spent a lot of time showing me the right way to do it—even though I knew he'd much rather be out on the big hills enjoying the slopes himself. I really appreciated his kindness and willingness to help. It always made me happy to see him at the County Seat reunion happy hours—he brought such a great energy with him.

Dear Claudia, Allison, Greg, and the Hines family,

I am deeply saddened by Peter's passing. I will always be grateful for the time I was able to spend with him in Palm Springs — those moments of laughter, conversation, and quiet connection will stay with me.

Peter had such a gift for listening and an unwavering way of supporting those he loved, especially you, Claudia.

You and Peter shared a remarkable marriage — a partnership grounded in love, respect, and mutual devotion. It was an inspiration to witness.

Some people, like Peter, come into our lives and leave far too soon, yet their footprints remain forever on our hearts.

My thoughts and prayers are with you, your family, and the many friends who loved him so dearly. I hold you all close in my heart.

*With love and deepest sympathy,
Petra*
