

Peter Michael Lundin

January 14, 1948 - August 11, 2023

Peter Michael Lundin, age 75, entered eternal life on August 11, 2023, following a struggle with idiopathic pulmonary fibrosis.

Peter was born January 14, 1948 in Minneapolis, Minn. to Marie (Brown) Lundin and Chester T. Lundin. He attended Good Shepherd School in Golden Valley and enjoyed adventuring with his friends in Theodore Wirth Park. He graduated from Benilde High School and went on to St. Cloud State College to receive his B.S. in mathematics with a minor in computer science. It was there, in the college's first co-ed dormitory, he met the woman of his dreams, marrying Linda Christian in 1974.

As a software engineer, Peter helped design the networking protocol for the earliest ATM machines, working for Unisys, Diebold, and Comten, which was then acquired by NCR. He stayed with the company through several mergers and survived multiple layoff threats. He was recognized for his problem solving and dedication to customer service. His work sent him around the world, visiting clients across Asia.

After settling in Blaine, Minn., Peter became active in local politics, serving on the local charter commission, and as a city council member for two terms, narrowly losing a bid for Mayor in 1981.

Peter also generously gave of his time and talents building homes for Habitat for Humanity, serving as a Scout Master and member of the Knights of Columbus at St. Timothy Catholic Church. He was well known for his generous spirit, helping friends and neighbors with projects of all kinds. He enjoyed social gatherings with family, friends and neighbors and thrived as the host.

Peter is now reunited with his parents, Marie and Chet, and his brothers James and Richard Lundin.

He is dearly missed by his wife, Linda; daughter, Christina (Dan) Fox; son, Mark (Trisha) Lundin; elder sister, Marcia Lundin; twin sister, Patrice Roesner; grandchildren, Noah, Alex, Juniper, and Julian; many nieces, nephews, friends and neighbors.

“ *Linda and family,
I was so terribly sorry to hear of Pete’s passing. He was such a kind and patient person. I remember him getting up early when I was there in the winter to get my car ready to drive. This southern girl had no idea what to do in all that snow. I still treasure the disc of pictures he put together for me. Sending prayers, love and peace.*
