“Pete and I attended Marshall High School (10 - 12 grades) together. We spent many hours together chasing girls and having fun. Pete kept me on the straight and narrow road more than once. He had the Car and I fancied the girls somehow. We were very good at meeting and entertaining girl friends. We both enjoyed dancing and Pete was a very good dancer. Some of the places we frequented we stayed until they stopped playing the music and they shutoff the lights, we had to leave. Oh yes we had plenty of girls to dance with. Pete was in my wedding party when I got married in Minneapolis, MN. I was closer to Pete than my own brother; we shared our feeling, good and bad many times and places together. I left Minneapolis, MN and worked in places from Washington D.C.; St. Louis, MO; Houston, TX; Napa, CA; China Lake, CA (Majave Desert) and San Diego, CA. All the time staying in contact with my friend Pete.

I was very fortunate to have my buddy Pete be apart of my life.
GOD BLESS PETE THEROS, AMEN
