“ To Peter's family, I send my deepest condolences for your loss. He was definitely one of a kind! I am sure he is happy to be with his Angel, Mary, again. I know he missed her terribly. He brought me a bouquet of roses for my 16th birthday. He wanted to be the first to give me roses. Unfortunately, his car broke down and they were wilted when they arrived. But, he'd tried. Rest in Peace, Peter. Love, your sister Zihna

“ *I always looked up to Peter. He and my brother were stalwarts in my youth. I so wish we could've been closer geographically so I could have gotten closer to you personally. You will be missed. A tree will be planted in your name.*
