“ Phil was a true friend and a wonderful person. I will never forget the many nights we spent listening to bluegrass music and drinking dark beer. It was due to his kind spirit and his generosity that I was able to navigate through a bad time in my life. I am in the place I am today thanks to Phil. I will truly miss you dear friend.-Bruce D. “ Phil and I worked together at Supervalu for many years. He was one of the smartest computer programmers I knew and always willing to help others. He grew up in Forest City and I grew up in Leland and both graduating from Forest City High School, Phil in 1963 and me in 1969. We are both Vietnam veterans so we had many discussions about our home towns, people we both knew and some of our Vietnam experiences. My deepest condolences to Phil's family. He was a good man. *I was sorry to hear about Philip. I remember all the get togethers we had growing up. We didn't need much of a reason for family to get together, always birthdays of course. Those were fun family times/ My prayers are with you. Frank and Dianne Brakke Riley*
