“ *Perry & Maas Families: Was sad to see of Skip's death. What an incredible beacon of light he was for so many Islander students. His Lasallian spirit has impacted decades of Islander students and will continue far beyond his passing. I have many fond memories of meeting with him in Minnesota, Kentucky, and Florida. One of my personal highlights was hosting Skip & Judy during the inaugural game of DeLaSalle Field, which really should be named Maas Field but Skip was so selfless and didn't want it named after him! It was a memorable evening to celebrate Skip, especially with the Class of 1958 so well represented which he was a member of. During my time at DeLaSalle, his impact was simply second to none. His philanthropy truly enhanced the experience of every DeLaSalle student and that can't be overstated. Skip's positive spirit will forever be a part of the culture and experience of all Islanders. I send my thanks, and prayers to all of you. He was a special man. Rest in peace my friend.....*

“ *My wife worked for him at the original truck shop on Glenwood. She was pregnant with our first child. He told her they needed to go shopping and he drove them to Daytons downtown in his Ferrari and bought her a bunch of baby items. Great guy. Michael Leicher*
