“ We have had thousands of guests over the the 79 years at Ludlow's Island Resort but the memory of the Settergren family spending many summers here is vivid in my memory. They were a great family enjoying the outdoors and family camaraderie.

*Phil was a gentleman and one of those just "nice guys". My best to the entire family.*

*Mark and Family, what a terrific resort that created so many great times for our family. Having been there thru 3 of your generations speaks for itself. I can remember Hod and Lil clearly still. The summers we spent and going snowmobiling in the winter with your Dad and my Dad. Driving thru Cook through out the year I stop by when time permits. Whether it's by the office or at the lake I try to stop and say Hi. Thanks for sharing the note and all the wonderful memories. (Polly's still looks the same ! ) Paul Settergren Family*
