“ *Cousin Carol, we were visiting Phil in August. He was funny and we were laughing about Dayton, Ohio. He was a bright light friend. Take care Carol and Godspeed Phil* ❤️

*I was fortunate enough to play softball for many years with Phil as part of the West Metro Senior Softball league. Phil loved to play ball and his tenacity was an inspiration to many of us. In December of 2017, I had an opportunity to sit down with Phil at our end-of-year softball lunch at the VFW in Richfield. In it, you get to see his sense of humor and his dedication to staying active in the league as long as he could. Phil will definitely be missed.*

*I hadn't seen this before. I graduated from Southwest HS with Phil in 1952. He was one day younger than I so he reminded me of that every year. I am not playing baseball but was happy he could still have fun doing it!*

“ I was often Phil's catcher when we played softball in the Academy of Holly Angels dome during the winter. I enjoyed talking to and playing softball with the Chairman and saw how much he enjoyed playing the game. I will miss him very much.

“ I knew Phil from senior softball, mainly dome ball. I often brought a folding chair to sit comfortably on the sidelines, setting it next to Phil, the Chairman, who always brought a chair. I enjoyed chatting with him. I, like everyone, cheered loudly when Phil got a hit, especially in his last year of domeball. It was nice to see him at the summer picnic at Round Lake.
