“ I was tearfully saddened to hear the death of my most intelligent friend I've ever met, where we could talk/discuss for lengthy periods of time, the situations throughout the world.
I fortunately have been a close friend for decades of his elder sister Carol, who resides in my home.
I wanted to share some fare with him one last time, when I was informed by Jerod. that Phil had died!
I sure hope that Phils' wonderful/beloved son Jerod is being helped at this terrible time in his life.
I can't properly discuss the matter without an severe crying eruption, and know that will be forever my state of mind, as I really loved PHIL!!
