“ Those events and people which are important to us are seen with our heart. Phyl you saw so much and gave even more than any of us could possibly imagine because your heart was as big as the universe. I will miss you tremendously and love you eternally. “ *It seems unbelievable to see Phyl's picture posted on an obituary and so not possible that a woman who could endure most anything is no longer with us. She touched many lives and was a mother to anyone who be-friended her. Her life will be remembered as one of nurture and courage and may she now rest in much-deserved Peace. God Bless you, Phyl, and thank you beyond words....*
