“ I am a volunteer at Summerwood of Plymouth and spent many Tuesdays with *Philly*. She was such a delightful, fun, sweet lady. Whenever I walked into her apartment, she'd light up and say "it's Tuesday!" When it was time for me to go, she'd always say "come back anytime." I will truly miss her.

“ Barb and I go way back to 6th grade and I'll always remember our "*Philly*" just the way she was when we were in high school -- younger, fun, vibrant, and a tad feisty! (Didn't we think all of our moms were feisty back then?) My heart goes out to Barb, Howdy, and her family. As Barb and I said to each other last night, "You expect it, but it's never easy!" God Bless you all as you go on this journey and know that I, in my own little way, am on it with you!
