“ I will always remember Phyllis Binda as a fun loving woman. The times I was with her when visiting Deb and Gary she always had a quick smile and a kind word. She was always ready to have fun, weather it was out side at the fire pit in Cross Lake or dancing all night at Andreas wedding. She will hold a special memory for me as a great lady.

My prayers are with you all

Love

“ Sue & Mike -
We will always remember your mom for her generous, welcoming, and friendly personality. Her humor and general loving nature will live on. I know you will miss her but what could you possibly leave behind better than that??!
