“ I would like to extend my condolences to the family and friends of Phyllis Bloom. I did not know Phyllis, but I do know the emotional pain and emptiness that the loss of a loved one brings. Take comfort in knowing that the Bible promises a resurrection of the righteous and unrighteous at Acts twentyfour verse fifteen. That includes Phyllis. This promise is not a dream, but a sure hope because “God does not lie” as stated at Numbers twentythree nineteen. There is nothing I can say to take your pain away, but I hope the thought of being able to see Phyllis again on a peaceful new earth, read Psalm thirtyseven verse eleven, brings your family and all that knew Phyllis, comfort in the days ahead.
