“ My name is Jane Ehlers, an employee at cherrywood point of forest lake. I was blessed with a privilege of being one of Phyllis care assistance, Phyllis and I have taken walks together and we would always enjoy talking about the goodness of God, she would tell me how she used to take her children to Sunday school and how she loves the lord. She would talk about how much she misses her husband, telling me what a wonderful husband he was to her. What a happy and humble person Phyllis was," The days that the sadness seemed to overtake her, She would always ask me to pray for her and we would hold hands and I would pray as she was listening to the prayer, and for some reason after the prayers she seems to gain some strength, "I can't really explain, all I know is that after the prayers she would clean up, dress and her and I would take a walk. Phyllis faith in God was unshakable and she have so much love for her family and all people, she would tell me that we are all Gods children. Rest in peace my dear friend we will meet again in heaven.

Thank you so much for this. You have no idea how much comfort this brings. I am so very thankful for you and all of the people who are so giving and caring to these residents. You are a blessing.

Susan Gilliver Pilarski - August 05, 2020 at 12:04 AM

“ My name is Melissa, I am an employee at CherryWood Point of Forest Lake. I had the pleasure of assisting and caring for Phyllis. She was the sweetest little lady, with a heart of gold. Phyllis and I loved chit-chatting about everything and anything, most of the time we'd laugh until our cheeks hurt! She had the best sense of humor, and I was the silly one to make her laugh. She shared so many great and wonderful memories of her husband that she talked about daily, and of all her children and grandchildren. She was such a joy to be around. She loved to go on walks, because she would always say, " I gotta keep my figure ya know"! On her birthday I tried to make it extra special for her being that everyone was in isolation because of the virus, I gave her some sweet gifts and went down to the kitchen and asked if they had cupcakes, anything to brighten her special day. I took her up a little cupcake and some sprinkles to top it off. She was so happy and full of joy, and really enjoyed her birthday surprises! I'm glad God blessed me with the time I had with little Phyllis, I called her my "little Phyllis" because she was so sweet and petite. She loved the Lord so much and was happy and at peace knowing that she was going to be with her wonderful husband that she always spoke highly of. RIP my dearest Phyllis and someday we will meet again...
