

Phyllis Beverly Haws

January 6, 2015

Haws, Phyllis Beverly Longtime resident of St. Anthony, Minnesota, passed away Jan. 6, 2015, surrounded by her loving family. She was pre-deceased by her husband, Dr. Frank Haws. Phyllis touched and brightened the lives of those lucky enough to have known her. Her sense of humor and generosity were well known and she was loved by friends and family. Phyllis had an inner strength that was evident to all who came to know her. She was born in LaCrosse, Wisconsin in 1931 and was the oldest of six siblings. As a young woman Phyllis moved to Chicago, Illinois where she met and married Frank. Frank and Phyllis settled in NE Minneapolis where Phyllis helped her husband develop a thriving medical practice. She was also active in the League of Woman Voters and served as an election judge for several elections. She then struck out on her own and operated what became a neighborhood institution, Create a Flavor, an ice cream shop in Apache Plaza. It quickly became a warm, welcoming spot where her love of life and friends was evident to anyone coming through the doors. Later in life she loved to paint and became an avid fan of the Minnesota Twins. Phyllis enjoyed the company of friends and family and could never turn down a good game of cards or a BBC comedy. She loved to travel, loved cats and more than anything else, loved her children and grandchildren. Phyllis is survived by her loving children Deb, Brian, Franklin and Ann and her three grandchildren Cory, Will and Tacy. Last August she was pleased to meet her first great-grandchild, Kate. We will all miss her greatly. All I need is your smile. If you feel sad do think of me For

“ *last memory I had with her was when she visited in CT and we were playing cards(Gin) in the kitchen. But I love her the most is when we were in her apartment, we took the elevator and another old lady wants to get in, but it was too late, the door closed, then grandma said "you snooze you loose" LOL. you just got to love her sense of humor! Sorry I was not able to visit you again, but I'm glad to have known you. I will miss you. Love you grandma!*
