“ *Phyllis has been in my entire life like a second Mother since she was 12 years old & I was born. She taught me proper English & took me to St. Luke's when I had my tonsils removed & she kept me at her apartment the first couple days before I went home. I visited her on June 22nd & told her 'Leanne brought me to see her because it was my birthday tomorrow' & she said 'the 23rd'. That was my favorite visit! Love you Phyllis, Mim*
