Eight years ago, Phyllis entered the ring with one of the world's cruelest opponents (ALZHEIMER'S). Alzheimer's is still UNDEFEATED. With help from her loved ones, Phyllis battled with right-crosses of happiness and left-jabs of enjoyment. Only the last few days did this beast take over the fight for its so called victory. Phyllis and family know the true winner: HEAVEN. Thank you Lord for the 31,435 days on this existing planet. Thank you so much more for my start of unending bliss.
