“ We wish to express our sympathy to all of you on the passing of Phyllis. We visited your family for the first time when Marvin was City Council member in Kansas while also attending to his pastoral duties. In later years, we provided rides for Marvin and Phyllis to the annual Kuhlman Family reunions in St. Peter. Nowadays it is a fact that families mature and spread across this country for work and other reasons. We miss close contact with each other. Marvin and Phyllis were able to share information on their generation and their generation's children which we had not heard of, in some cases, for decades. We are grateful for that. Now we are the older generation and need to carry on their messages. With sincere wishes, Darrell Dewar, Fred Kuhlman's grandson, and my wife Yolanda
