“ *Many wonderful memories of our extraordinary Aunt Phyllis and Uncle Kenny. They always welcomed us into their home in the city and cabin at the lake, and were part of every family reunion we assembled in Fergus Falls. My favorite memories are when they'd visit my family in Southern California, even attending my wedding in 1984. They are missed by all of the extended Rix families in Washington and California!*

“ *One of our foundest memories was when Phyllis and Ken took our family in over the 4th of July weekend to their cabin. Our home had been destroyed by a bad storm and fallen trees. With no hesitation, the Nelson's graciously made a tough time for us and our children, much more comfortable. Great times on Big Sandy!*
