“ I just found out today that Phyllis passed away. I am so very sorry to hear of the loss she will really be missed. I worked in the activities dept at Bywood and would call bingo for her and the other residents. She loved her bingo! I remember that when she would get a new purse she would have to show everyone! She was a special lady.. You and your family are in my thoughts and prayers at this hard timeMindy Workman(Bywoodeast)

“ Patty, do you remember the time or should I say several times...that Phyllis would dry a couple of dishes and then say she was done? Phyllis was very special to Mom. She outlived them all!!! I'm glad the last 20 or so years were very happy for her in her little community! Love, Chris
