“ Please accept my sincere condolences in your loss (and in mine) of precious Phyllis. You may remember me as far as when she took me in and let me live with her when I was going through an unthinkable divorce.

We shared a lot of good times as well, often on weekends going to her house in Palisade and we also traveled to Texas to visit her Mom and stepdad. 😭😭 I will forever remember and miss her. I would love it if any of you choose to contact me.
