

Phyllis D. Stanton

August 31, 2012

Stanton, Phyllis D. Age 88, Minnetonka, died August 31st, 2012. Born in Milnor, ND, on the prairie, she so loved. Enjoyed her years working at the General Mills Credit Union. Survived by her three children, Candace (Bob Layne); Scott (Leigh); and Melissa; grandchildren, Brady and Riley Stanton. Phyllis was interested in people and world events. Was a great reader, starting with the newspaper every day, and 1-2 books a week. Relished watching old movies on TCM. Most of all, she loved her family (both close and extended) and her many friends. Services will be held in ND this spring. Donations may be made to the Nature Conservancy (North Dakota). www.Washburn-McReavy.com Edina Chapel 952-920-3996
