“ *Your mother and grandmother was one of my very favorite patients at Russell Dental. I saw her for 20 years and always enjoyed visiting with her. She talked about and loved all of you. I wish that I could have attended her service and spoken with many of you, but I was scheduled to work on Thursday.*

I just wanted her family to know that she was a special person, not only to them, but to others as well. I will truly miss her.

*Sincerely,
Kathy Loeffler
