“ We had such a great time in MN this past year getting to hang out with this amazing human being. Words can not describe how we feel. Such a loss. He made us laugh and feel very welcomed, we even joked about what his radio name was going to be. Fun memories in such a short time.

“ We are shocked and deeply saddened by Quinton's passing. May his mother, sister, nephew and family, including Courtney and the Purcells find comfort in their fond memories of a remarkable young man. Our memories will always include him scurrying around, so very helpful at Bobby and Sarah's wedding.

“ I coached Mr. Bromley in basketball on the court, but Mr. Bromley coached me in how to compete with a passion and still maintain a extremely high standard of sportsmanship and humanity. So who really coached who? I will miss you very much QB I'll see you again someday I know that.
