Butterflies were her favorite. I miss you, Joe, and especially Rachel. God bless and may she rest happily. I will never forget her. Take care of yourself and Joe. Hugs.

“ Joe & Renee,

We are so sorry for your loss! Our heart breaks for the loss of your Angel. I will always remember the sweet smiley Rachel we knew. She lit up a room - her smile infectious. I remember Joe walking around with the 8x10 picture of Rachel when she was away in the Military. Your love for her was genuine and real. She loved you both very much. I loved watching her be a mom. We just pray the 23 Psalm over you... that you would rest in green meadows, beside peaceful streams..as He renews your strength. He will guide your path...do not be afraid, for He is close beside you.

Lean on the love and support of friends and family who love you very much and share a piece of your pain.

So sorry we will be in Arizona and unable to attend the services... but our thoughts and prayers are with you today and always. If you need ANYTHING...please let us know.

*We will miss her sparkle, but she will remain in our hearts forever!
God Bless you sweet Rachel!*
