“ I'm so sad to hear of Kelly's passing because I know the void it leaves in the lives of those who knew and loved her. But I rejoice that she is with our savior Jesus. Kelly was a wonderful kind friend. She and I worked together on the NHUMC plant sales and on Christmas decorating. She was so dedicated and so very talented artistically. Prayers for Jon as he mourns the loss of his soul mate.

“ Dearest Jon,

We share in your grief but know we can not begin to feel the depth of your loss. We have fond memories of the times we were with you and Kelly, although they were not frequent. You both were extremely fortunate to have found each other and made each other better people. We pray that you will feel the healing touch of God and know that there are many of us out there who will be thinking of you and praying sincerely for you. May you never forget that God is with you always.
