“ Gordon was also our neighbor in Birchwood and also was a great neighbor and friend.
My wife and I lived across the road from Gordon & next to our other neighbors Bob & Arlene Cody. A number of times we would have Gordon over for Dinner or a Sandwich.
I would walk over to his home many times to have coffee with him and listen to many great stories he had and on some of my visits with him I would get really lucky because he would have some of his famous home made pie and that was luck because when word got out that he was baking pie it usually did not last long. My wife and I sold our home in Birchwood about 4 years ago but we still come back every summer and rent a home in Birchwood and of course visit with our great neighbors.
When we lived there I had the pleasure a couple of times to meet Susanne and also one of Gordons sons and I apologize for not remembering if it was Stephen or David.
We will remember all the great moments and many laughs we had together and he will be deeply missed.

“ Gordon was the first neighbor to come over and say hello when we bought our lot in Birchwood in 2003. He became a good friend and we spent many hours sharing conversation around the fire pit. He loved to talk about his time in the service during WW2 and we enjoyed his stories. He was a generous man with his time and blessed with great mechanical abilities, always willing to help a neighbor. Truly a fine man who will be missed.
