“ *What a special pleasure it was to work with Ralph. I remember a few Spring seasons ago when a doe left three fawns safely among the headstones on the north edge of Section W (across from Shelter 2).*

Ralph alerted me to this wonderful experience and he gave me copies of the most amazing photos of these deer and other FSNC wildlife. He so appreciated nature! I always remember with a smile the peace he brought to my days outside. Thank you for sharing Ralph with us.

“ Ralph, I can't believe you're gone. We were like brother & sister. You were not only my cousin, but my best friend, protector & confidant as well. I feel lost without you. No more heart to heart talks. No more phone calls.

God took you home to be with your Mom & Dad.

I love you & miss you so much. You're the best.
