*This is Sue Siever's daughter, Lisa Sievers Knight. I was a little girl when I first met Monie - she took my mom under her wing at Office Mates 5 / Staff One and invited her to a Monday night Bible study. That Bible study changed the course of my family's life. I was reading my devotion this morning and the song that we used to sing from Isa 51:11 came to mind - therefore the redeemed of the Lord shall return and come with singing unto Zion, and everlasting joy shall be upon their heads... I can imagine the fun reunion my mom and Monie are having in heaven! And I am forever thankful to the kind, loving, and powerful group of Monday night prayer warriors I was privileged to sit amongst as a young girl. Love you all*

“ *I'm so sorry for your loss. Monie loved to call me and sing while I played the piano. She was always so cheerful and upbeat. I'll really miss her. Sending love and prayers. Lois Antonich*
